The following topics are on the agenda. A brief presentation will be made by a Community analyst followed by a short discussion period. Attendees should come prepared to fully participate in the followup discussion. Keep in mind that our objective is to address near- to mid-term threats, make forecasts, and identify collection gaps, rather than to review current intelligence. Discussion should include comments regarding intelligence gaps, collection requirements, and suggestions/recommendations for improving collection and analysis on a particular threat.

-- Implications of Increased AVC/M-19 Cooperation. ([] DIA 1/2hr)
